Dear Families and Friends of SARAH,

The “SARAH Recycles” program turns nickels into jobs for SARAH supported workers. You’ve seen our yellow boxes across the shoreline and we are growing!

SARAH is currently partnering with the towns of Madison, Westbrook, and other shoreline communities to increase these recycling efforts in high traffic areas such as athletic fields, town beaches and parks. SARAH is providing the recycling crews for this effort. We need your help to provide the recycle bins.

You can partner with us by:

- “Adopting a Bin” for \$400. Your business or family name will be prominently displayed on a durable, professional grade, town approved recycle bin.
- Making a tax deductible donation in any amount to support the program. Your support would go toward the purchase and maintenance of the recycle bins, and other program expenses.

SARAH workers are meeting a community need and our goal is to expand to other communities. We need your help to make that happen.

Please join us as a “Friend of SARAH” to expand our partnership, to keep our communities green and to turn nickels into wages for our SARAH supported workers.

I want to partner with SARAH Recycling and adopt a bin(s) at \$400. each.
