CPR and First Aid Training

3 Hour Workshop BLS Heartsaver CPR/First Aid/AED (Includes Pediatric CPR/First Aid)

Thursday, February 23, 2012 6:00p.m.—9:00p.m.

Presented by KIDSTEPS Family and Children's Center

Location: SARAH In Action

51 Boston Post Rd, Madison, CT 06443

There are those first aid skills where a band-aid is all that's needed to make things better. Then there's stepping up during an emergency, the difference between life and death. Saving lives is a mindset. It's knowing what to do and not being afraid to act. No special tools required. Just your brain, your hands, and your quick action.

\$50.00 per person
